SUPPLEMENT
AUTUMN 2022

AUTUMN 2022 SUPPLEMENT

After a couple of challenging years for new product development, Elstead Lighting are delighted to finally introduce more than 300 products into the collection in our autumn 2022 supplement catalogue. Many of the products are already in stock and some still to land over the next couple of months.

You will find a great selection of modern and traditional styles for the living, dining, bathroom and outdoors. Also we have introduced some of our top selling models in additional finishes.

The Elstead master catalogue is still dated 2019, the various supplements that have been launched will be collated, and the updated Master catalogue will be launched in the spring of 2023.

PARTNERSHIP

We share the passion and love of great design with all of our customers, and wherever we are in the world, we find the same reaction and enthusiasm to great design. Often from historical influence, vintage and retro, regularly with style and flair, and always with attention to detail and quality, it is with these elements that products are crafted and created. Whether it is from an Elizabethan English country manor, a Venetian terraced villa or a 1920's Parisian town house, from original fittings, architectural features to sculptures and metalwork, we find influence from all around us.

HINKLEY

Founded in 1922 and based in Cleveland, Ohio; Hinkley are on their 4th generation family ownership. The Hinkley collection has both a classic and contemporary feel to the product ranges, many represent what is classed as "transitional" styling, and are always made to the highest quality and design.

KICHLER

Cleveland, Ohio based and founded in 1938, Kichler are a large company held in high regard by their customers for the diversity of design and breadth of range. This includes some truly striking and often substantial pieces for grand interiors and exteriors of residential or hospitality establishments.

FEISS

COLLECTION

In 1955, Murray Feiss started his company offering a small assortment of porcelain figurine lamps topped with his mother's hand-sewn lampshades. Discerning consumers soon began to seek out the quality and unique nature of these designs. Now greatly expanded, Feiss continues to maintain the highest standards for materials and workmanship.

QUOIZEL

LIGHTING

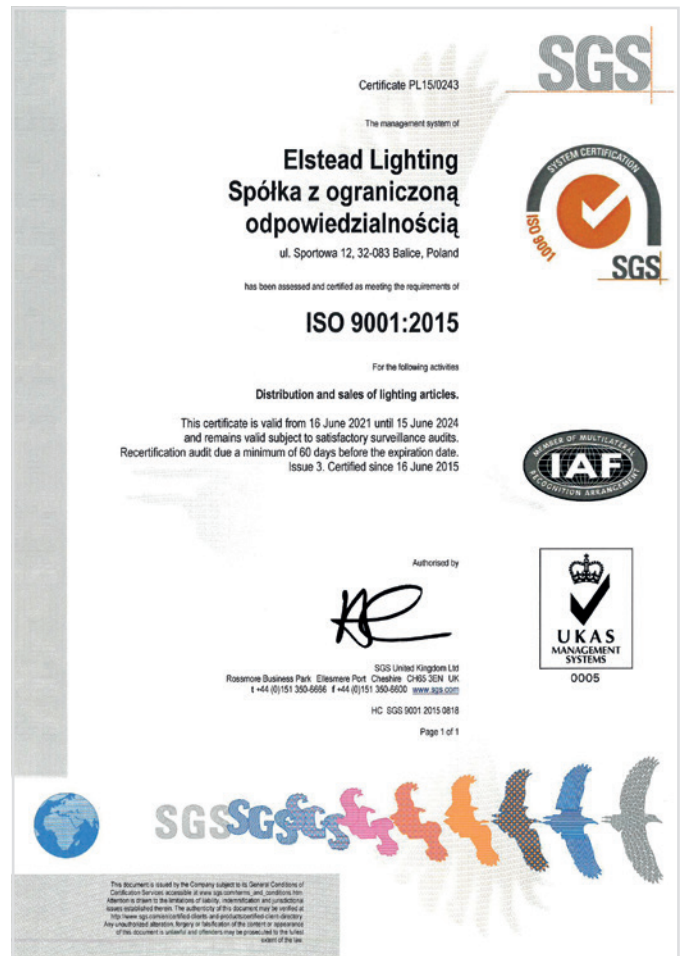

Based in Charleston, South Carolina, Quoizel was founded in 1930 and has since built a reputation for its diverse and unique product range, often engaging well known freelance designers to help with bringing fresh styles to the marketplace. Quoizel are well known for their use of natural materials and art glass, as used in their Tiffany Collectibles range, inspired by the great originator Louis Comfort Tiffany.

LITEC LED LAMPS, SAFETY & COMPLIANCE

SAFETY & COMPLIANCE

Safety is paramount with all lighting, and especially when used in the bathroom. All of the products within this catalogue are manufactured to be safe and fit for their intended purposes. All products are CE compliant and are fully inspected and tested for electrical safety and function.

They are all constructed to **EN 60598-1:2015** standards and all bathroom and outdoor models are IP rated to ensure suitable protection against the ingress of water. The company is also certified **ISO9001** compliant in both of our major European locations to further show commitment and competence in the manufacturing and supply of safe and reliable product.

LITEC LED LAMPS

The majority of our interior fittings use E27 or E14 lamp-holders, which makes them suitable to use retrofit LED lamps. The Litec range offers an LED lamp solution for every such fitting in this catalogue. Using the latest LED filament technology, these energy efficient lamps offer good lumen output, look stylish with their retro vintage influences, yet run at a cool temperature and have a 25,000 hour life expectancy. Most bathroom fittings are supplied with Litec G9 LED lamps.

See page 168-170.

INTERIOR

We proudly present many great new product ranges to suit most styles in the home and hospitality establishments. Highlights include some sleek modern ranges, mid-century modern and coastal themed classics. The trend of aged brass continues, so we have many popular ranges now available in this stylish and elegant finish.

BATHROOM

IP44

There is a choice of classic and modern ranges and now more options in the popular brass and black finishes as well as the classic Polished Chrome. All of the products in this section are safe to use in zones 2 and 3 of a bathroom environment. They are IP44 rated, which is the water ingress rating required in many countries for bathroom lighting. They can of course be used in other interior settings.

EXTERIOR

Good and effective outdoor lighting plays an important role in today's marketplace, accenting property appearance and assisting with security. Amongst some of the highlights we have more products made from a weather resistant composite which is guaranteed for 5 years in a coastal location. You will also find many new modern and classic ranges to enhance your outdoor living spaces with a great variety of colour finishes.

LED LAMPS

The Litec range of LED lamps are optimised to suit Elstead Lighting products. They all feature a high lumen output, and the filament style bulbs have the added bonus of looking attractive both when switched on and off. Lamps can be ordered either as single units or at lower prices in pack quantities.

Code	Description	Height	Diameter	Wattage	Colour temp.	Expected Life	Lumens	Switch Cycles
LP-LED3.5W-G9	G9 LED Lamp	50mm	15mm	3.5W (28W equivalent)	3000k (warm white)	25,000 hours	320 Lm	12,500
LP-LED4W-E14-G45	Golf Ball LED E14 Lamp	78mm	45mm	4W (35W equivalent)	3000k (warm white)	25,000 hours	400 Lm	12,500
LP-LED4W-E27-G45	Golf Ball LED E27 Lamp	72mm	45mm	4W (35W equivalent)	3000k (warm white)	25,000 hours	400 Lm	12,500
LP-LED8W-GU10	GU10 LED Lamp	58mm	50mm	8W (50W equivalent)	3000k (warm white)	25,000 hours	560 Lm	12,500
LP-GX53-LED5.7W	GX53 LED Lamp	24mm	75mm	5.7W (55W equivalent)	2700k (warm white)	25,000 hours	600 Lm	12,500

N.B. All lamps are UV free, suitable for 220-240v.

LED LAMPS

The Litec range of LED lamps are optimised to suit Elstead Lighting products. They all feature a high lumen output, and the filament style bulbs have the added bonus of looking attractive both when switched on and off. Lamps can be ordered either as single units or at lower prices in pack quantities.

LARGE TUBULAR LED E27 LAMP
Code: LP-LED7W-E27-T30L
DIMMABLE

CLASSIC LED B22 LAMP
Code: LP-LED8W-B22-A60
DIMMABLE

LARGE WHITE GLOBE LED E27 LAMP
Code: LP-LED8W-E27-GLW125
DIMMABLE

LARGE CLEAR GLOBE LED E27 LAMP
Code: LP-LED8W-E27-GLC-125
DIMMABLE

TUBULAR LED E27 LAMP
Code: LP-LED8W-E27-T30
DIMMABLE

All lamps have an A+ Energy Rating and are guaranteed against failure for 2 years.

Code	Description	Height	Diameter	Wattage	Colour temp.	Expected Life	Lumens	Switch Cycles
LP-LED4W-E14-T27	Tubular LED E14 Lamp	105mm	27mm	4W (35W equivalent)	3000k (warm white)	15,000 hours	420lm	15,000
LP-LED8W-B22-A60	Classic LED B22 Lamp	105mm	60mm	8W (60W equivalent)	3000k (warm white)	20,000 hours	850lm	10,000
LP-LED8W-E27-GLW-125	Large White Globe LED E27 Lamp	178mm	125mm	8W (60W equivalent)	3000k (warm white)	15,000 hours	800lm	10,000
LP-LED8W-E27-GLC-125	Large Clear Globe LED E27 Lamp	178mm	125mm	8W (60W equivalent)	3000k (warm white)	15,000 hours	850lm	10,000
LP-LED8W-E27-T30	Tubular LED E27 Lamp	128mm	30mm	8W (60W equivalent)	3000k (warm white)	20,000 hours	900lm	10,000

N.B. All lamps are UV free, suitable for 220-240v. All lamps are NOT dimmable, except the tubular (LP-LED4W-E14-T27).

GUARANTEE INFORMATION

GENERAL 2 YEAR GUARANTEE: All fittings supplied from this catalogue, both interior and exterior, have a manufacturer's minimum guarantee of 2 years. This means that in normal and fair service, (and without incorrect or inappropriate installation or location), any product sold by Elstead Lighting or its partners should have no fault develop within a minimum of 2 years from purchase. Any fault that is found is covered by guarantee to be repaired or replaced at the suppliers cost, within this period.

OUTDOOR LIGHTING GUARANTEES

2, 3 & 10 YEAR ANTI-CORROSION GUARANTEES: Many outdoor fittings have anti-corrosion guarantees stated on each relevant page. This guarantee relates to the corrosion of paintwork on cast aluminium or steel fittings, and excludes locations within 5 miles of the coastline. Fittings that have been damaged, repainted or cleaned with an aggressive cleaner may be excluded.

15 YEAR WARRANTY AGAINST STRUCTURAL FAILURE: Those models listed as having a 15 year warranty are guaranteed, that from purchase to within 15 years of normal use, the fittings will not deteriorate to any extent where they experience any structural failure. There may be signs of aging, corrosion or paint fading, but the integrity of the construction of these fittings means they will not deteriorate to any extent where they are rendered unusable within a lifetime of 15 years.

LIMITED LIFETIME WARRANTY: This warranty relates to certain ranges/models shown in this catalogue which are produced of materials that have an exceptionally long life expectation, such as solid brass lanterns. These fittings may age over time, but will not deteriorate to an extent where they will no longer function for the purpose intended. The "Limited" element relates to component parts such as rubber seals, lamp-holders etc. which are repairable but are not covered by the Lifetime warranty.

PLEASE NOTE: Prior to agreeing to replace any fittings, the company reserves the right for the original seller or a representative of the company to inspect the damaged parts and for photographic evidence to be supplied.

COASTAL COLLECTION

5 YEAR GUARANTEE: These fittings are designed to be placed in the toughest of conditions including right by the **coastline without exclusion**. This guarantee covers protection of the finish against corrosion or UV degradation.
